*The Maya Forest Garden*

Eight Millennia of Sustainable Cultivation of the Tropical Woodlands

ANABEL FORD and RONALD NIGH

Come meet Anabel Ford as she signs her newest book, *The Maya Forest Garden: Eight Millennia of Sustainable Cultivation of the Tropical Woodlands!*

In *The Maya Forest Garden*, Ford and co-author Ronald Nigh explore the techniques of ancient Maya farmers and how those techniques might be solutions to some of our current problems.

Stop by Chaucer's Bookstore on November 23<sup>rd</sup> at 7pm to get a signed copy of the book and to talk with author Anabel Ford!
